## PRESIDENT'S MESSAGE

I hope this message finds you well as we head into September. It's been a joy to see our club continue to grow and stay engaged through service, fellowship, and learning together.

This month brings a few special updates. Due to program scheduling, we'll have two "Local Eats" gatherings in a row, always a wonderful chance to support our local restaurants while enjoying each other's company. These meetings are always a fun way to connect outside of our usual routine.

I also want to highlight our RYLA Student Dinner Celebration on Tuesday, September 23rd at Trail Winds Rec Center. This has been a fun evening, giving us the opportunity to hear directly from our youth about their leadership experiences at RYLA and the ways Rotary has helped shape their future. I hope you'll join us in showing support and encouragement for these outstanding students.

On the service side, I'm very excited about our Smoke Alarm Installation Project on Saturday, September 27th. While partnering with the Thornton Fire Department and the Red Cross, we'll be working in the Redwood Estates Mobile Home Park to help keep families safer in their homes. This is the kind of hands-on service that truly reflects the spirit of Rotary, and I hope many of you will be able to join us.

Thank you for your continued energy and commitment to making a difference. September is shaping up to be a month full of fellowship and impact, and I couldn't be more proud to serve alongside each of you. `Carl
