 - Thursday, May 9th - 2pm

PRESIDENT'S MESSAGE

Thanks to the community's support during last year's Duck Derby and our club member's expert shopping, we donated more than \$6,000 in food to four local food banks in April.

The teams enjoyed a friendly competition to see who could get the closest to \$1,500 in supplies for their assigned food bank. Captured in the image with the register, Carl Marx's team got within a penny of the goal!

Thank you to club member Jack Ethedge for coordinating with the food banks and to all the volunteers.

Duck Derby sales are open at rotaryducks.org - buy ducks today for chances to win cash and prizes while supporting Rotary's projects in the community.

Funds raised through the Duck Derby go to local scholarships - with \$20,000 going to local schools this year and a new \$25,000 endowment at Front Range Community College - supplies for food banks, and more.

In addition to fundraising and donations, the club has hands-on projects planned for this Spring.

The Adams 12 Blood Drive on May 8 will specifically support mothers in honor of Mother's Day and we still need volunteers.

The Club will also participate in the Rotary District 5450 "Day of Service" on May 18, installing 10-year smoke detectors in Thornton Mobile Home Parks for seniors.

Use the information on this page to RSVP and join us in serving the community!
