# JANUARY Newsletter

## PRESIDENT'S MESSAGE

As we close out the year, I want to take a moment to sincerely thank our members for the generosity and commitment you continue to show our community. Because of your support, our club was able to purchase gifts for children right here in our area, helping bring joy and comfort during a season when it matters most. These efforts truly reflect the heart of Rotary and the impact we can make when we come together.

A special thank you goes to everyone who donated CASA gifts and to those who generously gave their time at the CASA gift wrapping party. Whether you donated, wrapped, organized, or supported behind the scenes, your willingness to serve made a meaningful difference for children who need to know their community cares. These moments of hands-on service are powerful reminders of why Rotary matters.

As we look ahead, I encourage everyone to make plans to attend our January 6th meeting. We will be joined by Josie Martinez, Court Appointed Special Advocate (CASA) Community Engagement Manager, who will help us learn more about the CASA programs and the positive impacts their work has on children and families.

I'm incredibly proud of our club and grateful to serve alongside each of you. Your compassion, time, and generosity continue to strengthen our mission and make a lasting impact in the lives of others. Thank you for all you do, and for living the spirit of "Service Above Self" every day.
