

JULY 2024 NEWSLETTER

Rotary Pavillion Dedication Ceremony

PRESIDENT'S MESSAGE

The 2023-2024 Rotary theme was "Create Hope in the World." Our club created hope through projects and donations supporting the local community.

In June, we celebrated the completion of the pavilion at Rotary Park in Northglenn, meeting the city staff and former club members who have been instrumental in making this idea from years ago a reality.

In July, we will see the outcome of the Duck Derby team's many months of planning at the race on July 4th and tally the fundraising that will make future projects and donations possible.

Please join me in thanking Rosie Garner, Jessica Sandgren, and Nancy Catlin, who led the Derby logistics, and Blake Feik and Debbie Tuttle, who led the sponsorship fundraising efforts.

As we welcome Marisa Phillips into the President role for 2024-2025, there are many exciting opportunities on the horizon to contribute to the club and the community.

Thank you to all our club members, sponsors, and supporters for making this Rotary year a success. Keep watching here and on our social media for more ways to get involved and use the magic of Rotary to make a difference in our community.
