PRESIDENT'S MESSAGE

May was another great month of projects and celebrations for the Northglenn-Thornton Rotary Club!

We joined three of our local school districts in celebrating recipients of the \$5,000 scholarships the club has established for students.

Leaders from Front Range Community College joined us to finalize the \$25,000 endowment the Club has established and share about the career-launching programs the school offers to students of all ages.

On May 18, the Club participated in Rotary District 5450's Day of Service. A team of 14 volunteers installed 81 smoke detectors in the homes of 31 Thornton residents. The Red Cross donated the alarms as part of its nationwide program that saves more than 2,000 people annually from fire-related fatalities.

These projects and scholarships are made possible by our annual Duck Derby. On July 4th, we'll race ducks at E.B. Rains, Jr. Park, with 250 prizes up for grabs and a \$2,000 grand prize.

Local businesses and community members are invited to participate in the Derby through sponsorships or by buying a duck or a quack family.

Learn more and buy your duck today at www.rotaryducks.org

Thank you for your support!
